

Save Black Lake Coalition

June 23, 2011 Board Minute Meeting Minutes

The meeting was called to order at 6:30 pm

A meeting of the Save Black Lake Coalition was held with the County representative, Rich Doenges. He explained the process for administering our grant. We discussed the likelihood that a consultant could be hired and the grant money used to complete the study of noxious weeds within 90 days. Rich explained that there is some confusion regarding the scope of the grant. He will check with the Department of Ecology to clarify.

In kind contributions were discussed and explained. The Public Outreach Plan developed by Deb Wallace was discussed in more detail. We plan to develop a website, design a logo, obtain signage and issue a newsletter. Board members were elected as follows:
